

FISCAL NOTE

SB 2648

January 31, 1998

SUMMARY OF BILL: Requires the Department of Environment and Conservation to develop a remedial maintenance and renovation budget, consisting of one-half of the existing funds available to the department for general maintenance. A priority list of projects by state parks is to be developed with spending of the above funds restricted to the first five parks on the priority list. The department shall report annually to the general assembly on those parks, which will receive funding from the remedial maintenance and renovation budget.

ESTIMATED FISCAL IMPACT:

Minimal

Bill establishes criteria for expending state parks funds but does not mandate an increase in expenditures or appropriations in the FY 1998-99 budget.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first name "James" being the most prominent.

James A. Davenport, Executive Director
